# INDIAN CAMP RANCH

## HOMEOWNERS ASSOCIATION

July 20, 2010

Hello All;

I am sending you a packet of information that your Board and the Committee on Fieldwork has completed this Spring and Summer. I want to thank Russ Sweezy; Archie Hanson and Melinda Burdette who worked with Scott Ortman and myself to develop the agreement enclosed to permit archaeological fieldwork here at Indian Camp Ranch. We met several times to draft and re-draft the document. We think it's a win-win for Crow Canyon and the Ranch. It can only enhance our investment here and provide a landmark preservation project for others to emulate in the future. Our committee of four kept you in mind throughout the process. The Board of Directors passed the agreement at a special meeting on July 12<sup>th</sup>. Crow Canyon signed the agreement on the 13<sup>th</sup>.

Also, I have included Resolution 1-2010; allows the Crow Canyon to do field work and research on Basketmaker III sites on the ranch under the conditions stated.

Third, I am providing a copy of information for the National Register of Historical Places in Colorado. This has been on the Web site for most of the year. Please review this and let us know if you want your lot included in the Register which will be on the State or the National one. Even if you decided to be on the Register; it does not mean that you have to participate in a future dig if you don't want to. It will be up to you to decide. I see no downside to having your property on the listing. We would like to get 100% of owners if possible. If you have any questions, please contact one of your Board members. Please send us your decision on the Register.

The cattle have been removed for the summer. We were all sorry to loose two of our members this year. George Conger and Skip Lange will be missed by all.

The Annual Meeting will be at 10 am on October 2<sup>nd</sup> 2010.
